Administrative history / Biographical sketch

Note

Albert Fish was a real estate developer and appraiser in Guelph and a former member of Parliament. Born in Preston, England, Mr. Fish served in the Royal Air Force and emigrated to Canada in 1949 with his wife and eldest child. He settled in Guelph and began work in real estate in 1954.

In 1957, he opened Albert Fish Real Estate Limited. As an active member of the real estate community, Albert Fish became president of the Guelph Real Estate Board in 1962. He served as regional vice-president of the Ontario Real Estate Association from 1964 to 1965 and in 1969 became president of the association. In 1973, he became president of the Canadian Real Estate Association.

In the federal election of May 1979, Albert Fish was elected as the Progressive Conservative Member of Parliament for Guelph and served for several months in the government of Prime Minister Joe Clark. He was defeated in the February 1980 federal election that followed the downfall of the Clark government.

In 1986, Albert Fish was elected president of the International Real Estate Federation, having served as president of the association's Canadian chapter in 1978-1979. He continued with his consulting and appraisal work during this time. He died April 5, 2006 at 83 years of age.

Custodial history
