The Roads, Street & Bridge Committee reported as follows:

In accordance with the resolution of the Council, we the undersigned members of the Roads, Street & Bridge Committee, this day inspected the sidewalks recently laid on Durham Street in front of the Johnson & Washburn block and found the same in a very unsafe condition. We interviewed Johnson & Washburn and suggested the following changes: Vias – the lowering of the sidewalk three (3) inches in front of Washburn door & the exterior of the platform as far as Perrets door in Martin's rink. Thereby giving the platform gradual slope which we consider would be safer and more satisfactory. These changes Johnson & Washburn

agreed to and promised to make at once. All of which is respectfully submitted.

Feb 20. Mr. Thomas McCullough was today notified that his services are no longer required. S. F.

Sudbury Feb. 27th 1896

At the call of the Mayor an emergent meeting of the Council of the Town of Sudbury was held this Thursday afternoon Feb 27th at 1:30 PM to consider the matter of By Law No. 46, the sale of the \$ 10,000.00 debentures and to take steps to render said By-Law valid.

The memebbers of the Council notified accordingly, and the following were present:

Mayor Fournier
and Councillors McCormick
Orr
Elliott
Kennedy
Tuddenham
Arthur

The following communications were read: From M. C. Biggar Esq., referring the members of the Council to the minutes of previous meetings re: his charges against certain Councillors having cnontracts with the Corporation.

From the Publisher of the "News" applying for the Printing of the Council for the current year.

From G. A. Stimson & Co., offering to give 95 ⅞ % for the \$ 10,000. Town of Sudbury Debentures, issued under By Law No. 46 delivered and payment at the Ontario Bank in Toronto. This offer being subject to an immediate acceptance and subject to their Sollicitors or their client's Sollicitors approval as to the validity of the By Law Bonds etc. This being lowered at their own expense etc. etc.

Also another letter from G. A. Stimson & Co., which read as follows:

Toronto Feb 22nd 96

S. Fournier Esq.
Mayor, Sudbury

Dear Sir-----We hasten to write in order to catch this mail to inform you that we placed By Law No. 46 in the hands of our Solicitors yesterday for examination but regret to say we have just learned incidentally that they fear that they will not be able to approve of the By law as there is a clause in it which is almost certain to invalidate it. The clause referred to is the one regarding the expenditure of the balance , if any, of the \$ 10,000 in works of public improvements, such as laying sidewalks, opening streets, or otherwise as may be thought expedient. The lawyers think that there is nothing in the statutes permitting the issuing of Debentures for such purposes except, as we understand it, by local Improvement and the issuing of bonds for a period covering the life of the improvement which in the case of sidewalk would probably be only 5 years, or ten at most, and the pause in regard to street improvements etc. etc. If the Solicitors final report to us should be to the effect that the By law is not valid, there is only one course that we can see opened, and that is for the Town to procure a special Act of Parliament at the present Session of the Local Legislature validating the issue but this would obviate the necessity of having a new By law drawn up and voted upon etc. etc.

As soon as we hear definitely we will wire you because not a moment should be lost if you intend to make application to the Ontario Legislature for the private

Bill, in fact the time for applying for such bills expired yesterday but we find it has been extended till the 28th. The way to do we presume will be for you to apply to your Member of Parliament and have him engineer it. You will require however to have some solicitor who is accustomed to such matters, draw up the Bills and have it ready for presentation forthwith. We will take the Debentures of course after this is done so as to make it satisfactory to our Sollicitors.

Yours truly

G. A. Stinson & Company

The following telegram was then read:

Sollicitor rejects By law advise applying for special Act. If you authorize us, will instruct our Sollicitor to apply immediately.

G. A. Stinson & Company

From [Aemilius] Jarvis & Company to the Mayor: Offering 95 % flat for the Debentures

Moved by Councillor Orr

Seconded by Councillor Tuddenham

That the Mayor be authorized to telegraph to Messrs. G. A. Stinson & Company to instruct their Sollicitors to aply at once to the Legislature for a Special Account to legalize By law No. 46 of this Corporation passed on the 19th of Sept, 1895, and that he also telegraph Mr. J. Loughrin, M. O. P. asking him to look after the passing of said Act.

A special meeting of the Council of the Town of Sudbury, to consider the proposition of Messrs McCarthy and Plummer re: the Waterworks and Electric Light systems and to pass final measurement of Slabs, was held this Wednesday evening March the 18th at 8 P.M. in the Fire Hall.

Were present: The Mayor, and Councillors Cochrane, Tuddenham, Gallagher, Allard, McCormick, Elliott, Orr & Arthur. And Mr. C. V. Plummer, representing Messrs McCarthy & Plummer.

The following communication was read.

S. Fournier Esq. Mayor

Dear Sir,

We would propose that the Town should take over our work and operate the Water and Electric Light systems.

On account of there being a small leak in a water pipe, it is not possible to put on a test at present, but in spring when the leak shows up, this could be done. This leak does not interfere seriously with the efficiency of the service. We will be glad if you will give this your early attention and will meet the Council or a Committee at any time to go more fully into the matter.

Yours truly

Signed McCarthy & Plummer

The measurement of slabs not having been made by the Engineers, the matter was not taken up.

The Engineers handed in their report on the Waterworks and Electric Light systems, which was read to the Council.

Moved by Councillor Orr, seconded

(Minutes of Regular Meeting continued on page 457)

(Minutes of regular Meeting March 18th, 1896 continued from page 456)

by Councillor Tuddenham, that the communication of Messrs. McCarthy and Plummer Contractors, be received re: taking over of Waterworks and Electric Light etc., that the report of the Engineers on same be also received and that they both be laid over for further consideration and a copy of said Engineers report be furnished to the Contractors.

Carried

Moved by Councillor Elliott, seconded by Councillor Gallagher, that the Town Engineers be instructed to measure the slabs furnished by D. O'Connor at Power House and report to the Chairman of the Fire, Water and Light Committee report to the Mayor and that on recommendation of said Committee, the Mayor and Treasurer be authorized to sign a note at 3 months for amount of report in favor of D. O'Connor.
