Dear father:

I just a line to let  
you know that I have  
purchased oil stove as  
requested. Sent same home  
yesterday under separate cover  
by Canadian Express. Hope  
you received same. Kindly  
acknowledge receipt of  
same. There is a rumour  
out now that we will be  
going overseas before Xmas.  
We had an inspection  
of whole Batt<sup>n</sup> this  
afternoon by about a dozen  
different officers which

To convince me that we  
are apt to be moved  
out any time. Willie  
got back last night,  
The Band has to play  
at Masonic temple this  
evening for the boxing  
band. I wanted to go  
anyway & by playing we  
will not have to pay  
to get in & also get  
our car fare paid  
was out for dinner

and supper yesterday.  
Had a walk of at least  
2½ miles to church yesterday  
morning. Last Wed. The  
Batt<sup>n</sup> was on an 18  
mile route march. We  
left at 9 A. M. Had two  
stops of 5 minutes each  
up to 12: noon, then had  
half an hour for dinner  
we then continued journey  
with but one stop of about  
three minutes & arrived  
back at barracks at 2:00 P. M.

Last Friday evening we  
left at 7 P. M. for route  
march across country. Had  
to pass over several freshly  
ploughed fields, down lanes,  
through couple of bushes and  
had to jump couple of  
creeks. It was an ideal night  
for some and some  
was enjoyed by all. It was  
quite slippery and as we  
had to advance speechless  
it made it all the more  
interesting. Will have  
another the end of this week.  
Had much other news so  
will close. Loving son,  
Sheldon.
