Dear Brother:

I regret that we I
haven't written you a letter
before this. I forwarded you
a postal at Liss a week
ago & hope you receive
same. I returned to camp
after two days work at
the ranges under canvas.
Last Sat afternoon. Tues.
morning I was put on a
drill course at divisional
Headquarters which was to
run for three weeks. Friday
morning we were all warned
for draft & so were all
sup before the M. O. I was
taken off of course & the
boys on signalling course

are not being let off. There
 are only eight W'loo boys going.
 They are Ed Dale, Pym Bros,
 Tom & Harry Garner, H. Weston
 J. A. Jones, Wm Mansfield, Willie
 & I. We were inspected
 this morning by the Q. C. & also
 by the Brigadier. There is
 about 3/4 of 118th Batt on
 draft. We leave here Tues.
 morning for Seaforth where
 we shall remain for a
 week & from there go to France.
 We got a line from Uncle
 Washie last Sat stating
 that Lloyd was missing.
 I can hardly believe it as
 it seems but a short time
 since he was up to see
 us. Willie has been trying
 to get full particulars but
 up to present have not.

heard any news. I hope that
he has not been killed.

He was in the big air raid
of Apr 4th & 5th & has never
shown up. I received a
letter from Walter & he
said he was seriously
thinking of enlisting. I wrote
him a long letter about it
& I wish you would also.

Take my advice & stay where
you are as papa would not
like to see any more of his
boys go. There are two of
us here now & that should
be enough. We had
Harry Lander here for a
couple of hours this afternoon
& sure enjoyed his rendering.
He is going to France
shortly to play for the
wounded & boys in

The trenches. Last night I went to a concert at Hagenmore given by a party from London. Cost me 1.5. I bought papa a fountain pen which also cost 12.5. 68. Also had my photo taken last week & cost me 5.5. apiece. I would like to have a dozen but cannot afford it, I am getting three to send home. They are the best photo I have ever had. Well only I will have to close as lights out. Will be pleased to hear from you. Address all mail to present address until otherwise directed as some will be forwarded.

Hope you are well & like your new job. If you write papa we can cheer him up.
 Your loving brother
 Sheldon
